

The New Leaf

Established in 1987

Here is a quick rundown of all the things we'll need to know regarding your wedding, and the questions we'll ask you during a consultation.

Date:

Ceremony Location:

Bridal Party

Bridal Bouquet: Ideally, what flowers, colors, and style would you like?

() Bridesmaids (): Should their accessories match their dresses? Should the Maid of Honor be holding something a little extra?

Groom and Groomsmen: The Groom's boutonniere is usually made a little special, but often matches his groomsmen.

Fathers, Grandfathers, Officiant: Should they also wear a boutonniere to match your theme?

Mothers, Grandmothers: Should they have Corsages? Wristlets or Pin-on?

Flower Girl & Ringbearer: Do you need us to save petals for the flower girl? Should the ringbearer wear a small boutonniere? Keep in mind that not all venues will allow for fresh petals.

Ceremony Flowers

Is this indoors or outdoors? Will you be needing altar pieces, pew markers, or even a decorated archway?

Reception Flowers

Consider the Guest tables, and any other surface you may want decorated - cocktail tables, buffet, and of course, the sweetheart table.

Cake Table/Loose Flowers: Will you need flowers decorating the cake, or some scattered blooms for accents?
